

Three young men and one child are playing mini-golf. One man is holding a golf club, and another is holding a golf ball. They are standing on a green mat in the middle of a rocky area. The background features a large mural of a prehistoric landscape with a dinosaur and a pterosaur. To the right, there is a fenced-in area with a sign that says "GO" and "amazon".

A concrete bunker with a viewing window is in the foreground. The bunker is made of light-colored concrete and has a small rectangular opening in the center. It is situated on a green mat that is part of a mini-golf course. The surrounding area is filled with a bed of smooth, light-colored rocks.
